

The Saint Andrews Day Foursomes

Saint Andrews Day - *Scotland's International Day*

**Royal Mid-Surrey
Inner & Outer Courses**

Thursday 27th November 2003

in aid of
The Sportsmans Charity

SCO 33982

In the third year of this event the Scottish Exiles at Royal Mid-Surrey again invite you to join them in this joyous celebration honouring the Patron Saint of Scotland and of golf.

We will play Saint Andrews Foursomes in the morning followed by a traditional lunch of Scottish fare. There will be music from the Pinstriped Highlanders and the address from the inimitable Professor David Purdie MD FRCOG FSA.

The Foursomes is open to men's, ladies or mixed pairs and tee allocations will be made on a first come first served basis. The Winning Pairs on both courses will win through to one of the Regional Finals of the Saint Andrews Day Foursomes at The Grove, Mere G&CC or St Andrews Bay and a chance to qualify for the International Final at St Andrews.

Saint Andrews Foursomes is a most enjoyable format and we welcome all who are friends of Scotland to team up with a mate from school, club or work to join us in honouring our Patron Saint and enjoying the camaraderie of one of Scotland's greatest gifts to the world - the game of golf.

As this is also Thanksgiving Day it would be particularly appropriate if you were to invite any American friends you may have to join us.
